Kansas City Art Institute  
Savannah College of Art and Design  
Savannah College of Art and Design

## Pertinent Skills

- Adept in Adobe Illustrator, InDesign & Photoshop
- Considerably color conscious
- Discerning eye for design
- Tactical time management
- On-point organization
- Talent for traditional art media
- Microsoft Office mahatma
- Capable communicator
- Downright delightful disposition

## Work History

### Graphic Designer Premiere Marketing Group

January 2017 - February 2019

Responsible for the design of brochures and marketing pieces for home-builders. Must be highly personable and able to communicate with clients to understand their wants and meet expectations. Requires knowledge of Adobe Create Suites and Microsoft Office, as well as an ability to effectively manage time and day-to-day project planning.

### Events Manager Blue Bird Bistro

August 2015 - January 2017

Coordinated the booking and event planning for private parties and large group functions; worked with guests to secure the details, needs and costs associated with each individual event reservation. Acted as the representative of the Blue Bird at community functions and other events outside the restaurant. Additional responsibilities included social media posting and correcting issues in the event of guest dissatisfaction.

### Art Teacher KCMO Public Schools

August 2012 - May 2015

Personal accomplishments in this position included organizing a visit from Mayor Sly James to our school in February 2013 and successfully launching a new positive behavior incentive program. Other duties of the position were to create and submit weekly lesson plans, various supervision duties, and develop a well-rounded seventh grade art program to be completed in nine weeks.
